Fire Precinct Report.

To the Voters and Taxpayers of the Tilton Fire District :

The board of Firewerds submit the following report for the year ending Feb. 15, 1903 :

During the year there have been five alarms as follows :

April 4, 8.15 p. m., for fire at Shoddy mill ; fire controlled by the sprinklers and apparatus not used.

Apr. 8, 12.50 p. m., fire in bales of rags in field at Shoddy mill ; wind was blowing quite hard and mill was threatend but fire was confined to the rags, damage about \$600. Caught from spark from engine on way-freight setting fire to the dry grass.

Apr. 28, 10.15 a. m. False alarm, cause unknown.

Sept. 25, 12.25 p. m. Alarm for fire at Shoddy mill ; fire controlled by sprinklers, damage slight.

Jan. 24, 1903, 9 a. m. Alarm for fire at house of J. P. Hanaford on West St. No damage and apparatus not used.

Several chimney fires have been handled by the chemical during the year. The department remains in same condition as last year, nothing new having been purchased.

The following orders have been drawn on the Treasurer during the year :

1902

Report of the School Board

FOR THE

Town School District of Northfield.

Another year has come and gone and it becomes our duty to submit our report to the inhabitants of the district. And we are pleased to say that we think the teachers have tried to instruct the scholars the best they could and have had quite good success in our schools. If the teachers would be a companion for the scholars in their out door play, then be mistress when in the school room, and a firm gentle command is all that would be required to make the discipline what it should be in most cases. We must say that we do not approve of hiring married women as a rule, this isn't said to hurt any one's feelings, but the young lady who is trying for a reputation will try harder than the one who is teaching simply for the money.

We are pleased to have a new school house built in the Hodgdon district, so called, where it was so much needed. It is an honor to the district, built in every way first-class. We hope you will appropriate money for us to repair other school houses. The Rand school house wants to be new silled, the Bean Hill school house has got to be repaired and doubtless there are others. We would like to try the coming season and have some of our highest priced books rebound that are out of repair. The cost won't be but about one fifth of the first cost, and would be in as good or better condition as when new. If Union district would get interested in the same, it might prove well for them, as the old saying goes, a penny saved is as good as a penny earned. We desire to express our grati-

tude to all who have taken so much interest in our schools by visiting them. Our registers show a goodly number registered.

CHAS. L. BARNARD,	} School Board.

ANNUAL REPORT
OF THE
BOARD OF EDUCATION,
OF UNION SCHOOL DISTRICT, NO. 1, IN TILTON.

The school year of 1902 has been a marked year in it's history principally on account of the uncertainty of it's sessions.

The spring term was interrupted by the prevailing illness scarlet fever, and with the advice of the Board of Health the schools were closed.

The coolness of the early summer was favorable to school life and the school was continued until the scholars had had their full number of school weeks, and accomplished the amount of work required in the course of study.

During the vacation the building was fumigated and put in a good sanitary condition.

The indirect radiation system has been repaired and newly packed, and in so doing a large amount of fuel has been saved this winter.

A sum of money was expended on the south lawn or play ground, to complete work of grading commenced the previous year; making it suitable for seeding with grass, and protecting the foundation of building from water and frost.

There was a vacancy in our principalship by the resignation of Mr. Geo. M. Dickson, and Mr. Martin A. Seymour of Randolph, Vt., was elected to that position, which he has filled very creditably, both as an instructor and disciplinarian.

The new room was furnished and the third grade was placed in the care of Miss Ethel M. Stevens of Franklin Falls, a graduate of the State Normal School, Plymouth, N. H., and she has proved a strong support to our efficient corps of teachers.

Our musical department has been under the direction of Mr. Fred Osgood, and the work has been very satisfactory.

Miss Jewett of Laconia has charge of the drawing. Water colors have been introduced much to the delight and benefit of the children, and excellent work is being done in this line.

The money appropriated for new seats in the hall was expended as judiciously as possible, and we have seats enough for one half of the capacity of the hall.

Our text books are much the same as last year.

About \$50 has been expended for reference books which includes a good list of Histories, also some books on nature work.

The History written by Mrs. Dickson has been introduced in the 6th grade and is well liked.

Great pains has been taken with the reading and new supplementary readers have been placed in each grade.

Two outline wall maps have been added.

During the year there have been different pupils registered as follows:

First Grade,	Boys, 24	Girls, 27
Second "	" 25	" 15
Third "	" 12	" 22
Fourth "	" 24	" 14
Fifth "	" 13	" 21

Sixth and Seventh Grades, “	21	“	26
Eight and Ninth “ “	18	“	21

Respectfully submitted,

O. G. MORRISON,	}	Board of Education.
